The Vision

The volunteers of the Lafayette Fire Company of East Lampeter Township are committed to providing a superior level of emergency services that continually improves the quality of life, health, and safety of the people we serve.

The Mission

We the volunteer members of the Lafayette Fire Company of East Lampeter Township dedicate our efforts to provide for the safety, protection, and welfare of the public through the preservation of life, property, and the environment. We will achieve this through a team of dedicated volunteers trained in the practices of Fire Suppression, Rescue Techniques, Disaster Awareness and Preparedness. All while encouraging an atmosphere that promotes compassion, diversity, innovation, and professional development.

Putting Tournament

Our Goal

This golf tournament is designed to raise money to support the fire company operations, including apparatus and equipment purchases and maintenance. The funds for the golf tournament will help offset the recent purchase of a 2006 Pierce Quantum 95' Tower at a cost of over \$900,000. This unit is one of the busiest ladder trucks in Lancaster County, responding to over 200 incidents last year alone. In addition, the Lafayette Fire Company responded to over 550 calls for service in 2009.

About the Company

The Lafayette Fire Company is two miles east of Lancaster City. We are an all volunteer fire department that came into existence in 1943. We cover a diverse 15 square mile area including sections of East Lampeter, West Lampeter and Lancaster Townships as well as multiple other surrounding municipalities through mutual aid. Our first due area remains busy with the local tourism industry and includes several unique challenges including limited access highways, numerous hotels, an amusement park, schools, manufacturing facilities, a large industrial park, commuter and freight railroads, high density urban housing, limited care facilities, dormitories for local schools and farmland. Averaging over 500 calls a year, Lafayette is one of the busiest volunteer fire companies in Lancaster County. With over 50 active members, we strive to ensure that all calls for service are answered.
